In the Statement the chairperson should First, explain why the department of Health in the Report dated 29th January, 2018 ref no. Thirdly, explain why the construction of the said project has delayed since FY 2015/2016 when it was budgeted for to date.

Fourthly, give concrete budgetary estimates for the project and utilization of the said funds (if any) meant for the project over the financial years

Lastly, give detailed payment details of the beneficiary accounts to which the said Kshs. 1.5 million and any other monies (if any) spent on the imaginary works on the project was made and evidences of the same.

I know you will make a ruling but I want to request the committee that this is a serious matter and it might even land some of them in King'ong'o Prisons to ensure that this is done and I want to ask the Chair if they can take a maximum of one week to give us this Report

The Temporary Speaker (Hon. Opanga): Hon. Abigael, are you comfortable to give a response within that time? The questions are weighty.

Hon. Abigael: Thank you, Mr. Temporary Speaker, Sir. In regards to the enquiry because they are 5 weighty areas we will give a response by the 11th, July 2018

The Temporary Speaker (Hon. Opanga): That is almost 2 weeks

Hon. Odhiambo: It was a request that if possible these things can be done within one week. If it not possible I think the 2 weeks she is giving is just proper

The Temporary Speaker (Hon. Opanga): I think we should also consider the Budget is also ongoing and some Members are also in the other committee. Let us give them 2 weeks we get the Report and we see.
