Hon. Speaker: Hon. Members, I want to bring it to your attention that we have received communication from the office of the County Secretary on the assent of the Siaya County Waste and Sanitation Management Bill, 2019.

It reads; you submitted the above reference Bill to H.E. the Governor on the 26th September, 2019 for consideration. I wish to notify you that the Governor considered the Bill and assented to it today, 9th October, 2019. I hereby return one assented Bill for your information and records.

Hon. Members, the Bills assented to had this as part of their memorandum of objects and reasons. The Siaya County Waste and Sanitation Management Bill, 2019, aimed to assist the County Government of Siaya to implement the rights of every person to enable reasonable standards of sanitation and to a clean and healthy environment.

The social cost attached to poor health and sanitation and economic loss caused by preventable diseases all make the protection and improvement of public and health outcomes and control of the conditions and impact on human health and the living environment for the population a foremost policy imperative. I therefore direct the secretariat and office of the Clerk to ensure the Bill is taken to Government printers for publication as an Act.
